

# PSYCHOLOGICAL TESTING AUTHORIZATION REQUEST FORM

Thank you for your commitment to serving some of our most complex and vulnerable membership. Psychological testing is a valuable service for diagnostically complex circumstances. Once your request has been received, it will be forwarded to a utilization management service coordinator (a licensed behavioral health clinician) and a medical director for review. Our state and federal regulations allow up to ten calendar days for us to review your request. Although it does not typically take this long, please plan ahead and request far enough in advance to accommodate this timeframe.

**Once complete, fax this form to 720-744-5130.**

Please note that we can only reimburse for services related to a covered behavioral health diagnosis per the State of Colorado. This explicitly excludes the following diagnoses as the primary focus of treatment/assessment:

- Autism Spectrum Disorders
- Developmental Disabilities
- Traumatic Brain Injuries

If your request is related to one or more of the above diagnoses, you may bill the Department of Health Care Policy and Financing (HCPF) through the physical health, fee-for-service benefit. HCPF does not require prior authorization for psychological testing for the conditions mentioned above.

Date of request:

Member name:	Member date of birth:
--------------	-----------------------

State/Medicaid number:

Provider name:

Provider phone:	Provider fax:
-----------------	---------------

Agency/provider to complete testing:

National Provider Identifier (NPI) of testing psychologist:	Agency/testing provider fax:
---	------------------------------

Please submit the following documentation with your request form:

- Most recent psychiatric evaluation
- Most recent psychosocial evaluation
- Any previous psychological testing that has been completed
- List of medications that have been tried (including dosage, length of use, and effectiveness of each trial)

Please complete the following sections/questions completely and thoroughly. Any missing information will only delay your request. You may also submit your responses on a separate sheet.

Please list the specific names of the psychological tests/tools that will be administered, in order of priority, and the approximate amount of time expected for administration:

Test/tool name	Approximate amount of time needed for administration (in hours)

## PSYCHOLOGICAL TESTING AUTHORIZATION REQUEST FORM (CONTINUED)

---

1. Describe the symptoms the patient is exhibiting and explain why you are requesting psychological testing:

2. What is the differential diagnosis?

3. What is it about this case that makes it difficult to make a diagnosis based on the clinical presentation?

4. What questions would you like answered by the psychological testing?

## PSYCHOLOGICAL TESTING AUTHORIZATION REQUEST FORM (CONTINUED)

---

5. Have other consultations been obtained (i.e. primary care provider, psychiatrist, neurologist)? If so, please include their findings.

6. What medications have been tried (include the dosage, length of use, and how effective each trial was):

Medication	Dosage	Period of use	Effectiveness

7. How will the results of the psychological testing change your therapeutic approach?

*Please attach a copy of your clinical assessment and results of previous testing.*
